### PROFESSIONAL EXPERIENCE

#### E-Commerce Director | AdScale | July 2024 - July 2026

Employee until May 2025; independent contractor through DMA USA Services from June 2025.

- Automated lead screening, routing, and outreach with Clay, Zapier, webhooks, and HubSpot, reducing waits of up to 24 hours to automated outreach within three minutes.
- Served as HubSpot superadmin: merged duplicate contacts, preserved source and lead-status fields, checked sequence enrollment, and kept owners and next steps current.
- Worked on two CRM migrations; maintained workflows, pipeline stages and reporting, and documented onboarding and billing handoffs.
- Contributed sales and operations work as AdScale Plus annual revenue grew from approximately \$1.5M to \$3M over one year, alongside the team.
- Supplied roughly 70,000-76,000 prospect contacts through separate outbound sourcing work.

#### Customer Experience & Operations Specialist | Phone.Do | October 2022 - July 2024

- Delivered remote receptionist and customer-support services for multiple businesses, following each client's systems, scripts, and service procedures.
- Scheduled appointments, qualified leads, documented calls, updated records, answered customer questions, and escalated technical or account issues.
- Managed support tickets and follow-up tasks with accurate notes; reported recurring bugs and workflow issues to internal teams.

#### Mango Marketing | April 2022 - April 2023

##### Account Executive | October 2022 - April 2023

- Closed new-client and additional-service sales; onboarded clients and delivered services and post-sale support.

##### Sales Development Representative | April 2022 - October 2022

- Handled initial prospect conversations and secured paid consultations before account-executive handoff.
- Coordinated handoffs to account executives; promoted after approximately six months.

### SELECTED INDEPENDENT WORK

#### DMA USA Services | Prospect research & workflow support

- Supported multiple client engagements through a consulting partner, spanning prospect research, lead sourcing, landing-page support, and follow-up automation planning.
- Delivered 28,552 potential-fit companies with selected contacts for a market-research engagement; built an initial 100-account target list for a separate B2B technology engagement.

### ADDITIONAL EXPERIENCE

#### Restaurant and Bar Manager | Mirabelle Plaza Hotel | June 2021 - March 2022

### EDUCATION & LANGUAGES

Undergraduate coursework: University of Notre Dame; Georgia State University.

Languages: English; Hebrew (expert).
